

Arrival and departure

Arrival at Hurghada or Marsa Alam International Airport :

Once the border control is done, pick up your luggage and get out of the terminal. Our Seafari agent is waiting for you with a board. He will take you to the Dolce Vita where everything is set for you. The Check-in is at 6PM. The diving or snorkeling activities will start the next day.

Last day on board and departure :

The last dives will be the penultimate day. We will reach the marina in the afternoon and spend the last night there, on board or in a hotel. **Disembarkation of passengers and their luggage is scheduled for 8 a.m.** on the last day after breakfast. The boat must be fully vacated in order to be ready for the next cruise. The transfer from the boat to the airport is organized by Seafari. If your departure time is late, Seafari can organize your transfer to the hotel of your choice within a 5km radius of the marina. The transfer from the hotel to the airport at the end of the day or during the night is not included in the Seafari service and will be at your expense.
